

PROVISIONAL AGENDA
“Innovations for Resilience Convening”

20-21 November 2017
 WFP Innovation Accelerator
 Munich, Germany

The objective of the ‘Innovations for Resilience’ interactive meeting is to:

- Collectively make a contribution to Agenda 2030 by exploring innovations that build resilience and enhance development outcomes in a sustainable manner.

Specifically, the meeting aims to:

- Enhance understanding of the role innovation and technology play in contributing to resilience and the challenges faced by practitioners when replicating or expanding solutions on a regional or global scale
- Showcase innovations that improve local resilience and can be scaled nationally, regionally and globally
- Connect humanitarian and development innovators with private sector partners

Expected outcomes:

- Take stock of successful resilience tools and innovations
- Create a network for continued dialogue on innovation towards increased resilience
- Partners pledge to support the development and testing of selected scalable innovations

** Please note: for purposes of creating a Note of the Record, event sessions will be audio recorded.*

DAY 1

08:30 – 09:00	Registration and coffee	
09:00 – 09:30	Welcome & Setting the Scene <i>The vision for resilience and our collective efforts towards Agenda 2030.</i>	Speaker
09:30 – 10:00	Resilience in an Age of Innovation	Globally recognized speaker
10:00 – 11:15	Panel discussion <i>Experts from different backgrounds (government, private sector, humanitarian) reflect on how innovations can promote the building of long-term resilience outcomes and some of the more challenging obstacles and bottlenecks to reaching this goal.</i>	4 globally recognized speakers
11:15 – 11:45	Coffee Break	
11:45 – 12:30	Principles of Developing Innovations <i>Facilitated discussion on the design process and development lifecycle of innovations.</i>	WFP Innovation Accelerator and other Conveners
12:30 – 13:15	Panel discussion	Speakers

	<i>Experts from different backgrounds (government, private sector, nonprofit) reflect on “What is ‘the next big thing’ in Resilience?” Specific discussion topics will include insurance, innovative financing, blockchain, data analytics, etc.</i>	
13:15 – 14:45	Lunch (off-site)	
14:45 – 16:00	Presentations of Innovations 1 – 4 <i>3 min. elevator pitch + 5 min. Q&A – Maximum 10 min. per innovation</i>	Innovators, Facilitator
16:00 – 16:30	Coffee break	
16:30 – 17:45	Presentations of Innovations 5 – 9 <i>3 min. presentation + 5 min. Q&A – Maximum 10 min. per innovation</i>	Innovators, Facilitator
17:45 – 18:00	Closing remarks for Day 1	Speakers
DAY 2		
09:00 – 09:15	Welcome to Day 2/Introductions/Objectives	Participants, Facilitator
09:15 – 10:45	Group Activity: “Learning Café” <i>Facilitated participatory exploration to understand opportunities, challenges and barriers to implementing and scaling innovative resilience-building solutions.</i>	Participants, Panelists
10:45 – 11:15	Coffee Break	
11:15 – 12:45	Feedback from Learning Café: <i>Conclusions from the Learning Café and reflections from the panel on the results of the group activity.</i> <i>Identifying next steps needed for innovations to contribute to resilience-building.</i>	Moderator, Panelists
12:45 – 14:15	Lunch (off-site)	
14:15 – 16:00	Marketplace and one-on-one discussions with the innovators.	Participants
16:00 – 16:45	“What did we learn?” <i>Key learnings and next steps</i>	Globally recognized speaker
16:45 – 17:00	Concluding remarks	Speaker
